Dear Prospective Chamber Member:

The City of Brunswick shares with the Brunswick Area Chamber of Commerce a longstanding partnership. The working relationship that has evolved from this partnership emphasizes the commitment to the strong support of local businesses and overall betterment of the Brunswick community.

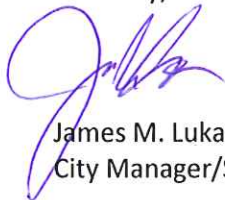

The Board of Directors and President/CEO of the Brunswick Area Chamber of Commerce are committed to their mission of strengthening the community through communication and opportunities for their members. Additionally, their leadership and involvement with development and legislative issues provides the local governments with a representation and voice of the business community.

The Brunswick Area Chamber of Commerce, through various event sponsorships, also plays a very important and vital role in the success of the Brunswick City Schools, charitable organizations, and not-for-profit groups in the community.

The growth that is occurring in Brunswick is unprecedented. Brunswick has become a hub for residential, commercial, and industrial development. New partnerships with medical and educational entities have fostered their presence in the community. These new institutions are now actively involved in the Chamber's operations.

Brunswick is a community that has a great deal of pride and ownership in our town. The Brunswick Area Chamber of Commerce is a fundamental facet in our success of working together to create a community of excellence!

Sincerely,

James M. Lukas
City Manager/Safety Director
