FOR IMMEDIATE RELEASE

MEDINA HOSPITAL WELCOMES NEW PHYSICIAN

BRETT BUTLER, M.D., VASCULAR SURGEON

Medina, Oh - Medina Hospital is pleased to announce Brett Butler, M.D., vascular surgeon, has joined the medical staff. Dr. Butler is an Associate Staff Member in the Department of Vascular Surgery at Cleveland Clinic.

Board certified in general surgery, Dr. Butler's specialty interests include abdominal aortic aneurysm repair and he specializes in abdominal aortic aneurysm, aortic aneurysms, carotid artery aneurysm, infected grafts, renal artery aneurysm, renal artery stenosis and visceral artery aneurysms. He is treating adult patients at Medina Hospital.

Dr. Butler earned his medical degree from the University of Cincinnati College of Medicine. He completed an internship, general surgery residency and fellowship in the Department of Vascular Surgery at the Cleveland Clinic in Cleveland, Ohio.

Dr. Butler's office is on the third floor of the South Medical Building at Medina Hospital, 970 East Washington Street. To schedule an appointment with him, please call 330.721.5700 and select option 3.

About Medina Hospital

Medina Hospital, a Cleveland Clinic regional hospital, is the largest health care provider in Medina County. A 116-bed hospital, Medina Hospital offers the latest technology and the newest procedures in a modern facility. The not-for-profit hospital offers a full range of services and accepts most major health care plans. Specialty services include diagnostic services, therapies, medical care, surgical procedures, obstetrical care, intensive care, pediatric services, 24-hour adult emergency care and pediatric emergency care. Over 300 physicians support the hospital through the Medical Staff. The hospital also reaches out to the community through the Brunswick Medical Campus. The campus offers immediate care, pediatric therapy, lab and imaging services.
