MEDINA HOSPITAL HONORS ORTHOPAEDIC SURGEON AS DOCTOR OF DISTINCTION

Medina, OH – Medina Hospital is proud to announce that Kenneth Greene, MD, has been selected as the *Doctor of Distinction* for the month of October. Medina Hospital received several compliments on Dr. Greene's behalf for the care he provided to patients or their family members.

Dr. Greene is board certified in orthopaedic surgery and specializes in reconstruction of the hip and knee. His focus is on joint replacement surgery and he is recognized as an authority in this area, lecturing both nationally and internationally. In the last several years, he has authored numerous articles, several book chapters, and has presented over two dozen international lectures.

Doctors of Distinction is a program designed to recognize members of the Medical Staff for their dedication to quality patient care and satisfaction. The Physician Satisfaction Team, made up of hospital employees who are dedicated to enhancing the patient experience at Medina Hospital, created the *Doctor of Distinction* program.

Physician compliments received through patient satisfaction surveys, letters, notes and verbal recognition by Medina Hospital are submitted into a monthly drawing. The physician selected receives recognition among patients, visitors, staff and peers, as well as recognition unique to the program throughout Medina Hospital.

About Medina Hospital

Medina Hospital, a Cleveland Clinic regional hospital, is the largest health care provider in Medina County. A 116-bed hospital, Medina Hospital offers the latest technology and the newest procedures in a modern facility. The not-for-profit hospital offers a full range of services and accepts most major health care plans. Specialty services include diagnostic services, therapies, medical care, surgical procedures, obstetrical care, intensive care, pediatric services, 24-hour adult emergency care and pediatric emergency care. Over 300 physicians support the hospital through the Medical Staff. The hospital also reaches out to the community through the Brunswick Medical Campus. The campus offers immediate care, pediatric therapy, lab and imaging services.
