## **FOR IMMEDIATE RELEASE**

### **MEDINA HOSPITAL WELCOMES NEW PHYSICIAN *SAMEH YONAN, M.D., PAIN MANAGEMENT***

Medina, Oh - Medina Hospital is pleased to announce Sameh Yonan, M.D., has joined the medical staff. Dr. Yonan is a Pain Management physician at Cleveland Clinic and he is treating adult patients at Medina Hospital.

Board certified in anesthesiology and pain management, his interests include managing chronic pain in patients with spinal stenosis and degenerative disc disease. He is also interested in managing cancer pain and headaches. He has experience with complex regional syndrome (Reflex Sympathetic Dystrophy - RSD). Dr. Yonan also has experience and extensive training in managing Neuromodulation pain therapy including spinal cord stimulators and intrathecal drug delivery systems for difficult cases of back, neck, headache and cancer pain.

Dr. Yonan earned his medical degree from Ain Shams University Faculty of Medicine, Cairo, Egypt. He completed an internship at Ain Shams University Hospitals, Cairo, Egypt. He also completed an internship, residency and fellowship at Cleveland Clinic, Cleveland, Ohio.

His office is located in South Medical Building at Medina Hospital, 970 East Washington Street. To schedule an appointment with him, please call 330.721.5700 and select option 3.

#### **About Medina Hospital**

Medina Hospital, a Cleveland Clinic regional hospital, is the largest health care provider in Medina County. A 116-bed hospital, Medina Hospital offers the latest technology and the newest procedures in a modern facility. The not-for-profit hospital offers a full range of services and accepts most major health care plans. Specialty services include diagnostic services, therapies, medical care, surgical procedures, obstetrical care, intensive care, pediatric services, 24-hour adult emergency care and pediatric emergency care. Over 300 physicians support the hospital through the Medical Staff. The hospital also reaches out to the community through the Brunswick Medical Campus. The campus offers immediate care, pediatric therapy, lab and imaging services.
